

OVERFLOW YOUTH CONFERENCE

CONVERGE TALK SHEET

Introduction:

CONVERGE : 'to gather or meet at the same destination'

Converge works! Converge is an initiative designed to purposely slow down the pace of OVERFLOW. We realize the intensity and pace of the event can keep groups from processing what God is doing in people's lives. We have seen great benefits when groups take a few moments to interact together and talk about the changes God is asking them to make, and the things they are going through. It is our sincere hope that God is stirring students in a variety of ways, and as a leader taking a few moments to process some strategic questions will help the process along. We hope you are surprised by the depth of God's work and pray that you will have meaningful connections with those you shepherd.

Go ahead. Converge.

We encourage you to find a few moments during the weekend for you to simply debrief with your group.

- Gather your group together and initiate a discussion.
